## DESIGN

Modern, all stainless steel and elegant with its "ROTISSERIE" screen-printed glass doors, the powerful interior lighting will enhance your products during cooking. The Roti Roaster is offered in both **front-load with a closed back and passthrough** configurations. Its removable accessories, inside panels and drip pan ensure effortless cleaning.

## PERFORMANCE

Easy to use, this rotisserie has proved itself in terms of robustness, with its high output, cooking speed and its exceptional roasting qualities. Fully insulated with energy-efficient heating elements, this unit will help you save costs and energy.

## TECHNICAL CHARACTERISTICS

- Energy-efficient heating element
- Fully insulated with rock wool (Bio-soluble aluminum encapsulation)
- K-Glass thermal double glazing mounted on silicone seal (anti-scald front panel)
- Bakelite 1/4 turn heat resistant locking door handle
- Halogen lighting
- Automatic cooling of heating turbines after switching off
- Control panel with 6 cooking programs
- Integrated removable drip pan (multi functioning for cooking vegetables and more)
- Delivered with cooking baskets (BALD520/720)
- Enters auto hold at the end of the cooking cycle

**FBP5.560**  
Countertop

**FBP8.760**  
Passthrough

### ENERGY & COST-EFFICIENT K-GLASS

Featuring insulated, double-glazed K-GLASS doors, the Roti Roaster is engineered for optimal energy efficiency. The inner pane has a specialized thin metal coating that regulates heat transfer, offering exceptional resistance to thermal radiation. This design enhances energy efficiency, lowering operational costs and contributing to significant savings. The glass also minimizes heat emission in the kitchen, improving comfort for your team, and enhances safety by preventing burns upon contact with the door surfaces.

### TOUCH CONTROL PANEL (optional)

- 5-inch colored touchscreen control panel.
- 4 categories of pre-recorded programs.
- Time and temperature programming.
- 99 programmable recipes.

### STACKABLE OPTIONS

#### Maximize Space and Efficiency

Our stackable Roti Roaster units **FBP16.760** and **FBP16.560** are designed for versatility and convenience in high-demand kitchens. These models provide a compact and efficient way to cook multiple items simultaneously, increasing your throughput while saving valuable space.

**FBP16.760**

### ACCESSORIES

#### included:

**BALD520/720**  
Basket for poultry

#### optional:

**PD520/720**  
Vegetable tray

**BAP520/720**  
Small cuts basket

**PLC520/720**  
Cooking basket

**BAB520/720**  
Cooking spit

**CAP5.520/8.720**  
Ventless hood for indoor use, equipped with removable and activated carbon filter
